

# Directions and Parking

The Learning Resource Center is identified on various Google Maps as 3544 Caroline, 3544 Hickory Street, and 3545 Vista Ave. We recommend that you follow the directions to the parking garage, Hickory EAST, 3424 Hickory Street. There is also a Hickory WEST—but the SLRLN parking passes will not permit you to exit. You can use [Google Maps Directions to the Hickory EAST garage](#). Theresa Ave will end with the entrance to the Hickory EAST garage on your left. **You must take a ticket from the parking machine as you enter the garage!** You do not need to save it ☺

- Once you've parked, walk out of the garage near the Theresa Ave. entrance. Although the street ends, a walkway continues.
- Follow the walkway until you come to an intersection of the walkway which again becomes Theresa Ave and the cross-street Caroline.
- Turn right onto Caroline Mall walkway (Caroline Mall walkway to the west and Caroline Street to the east).
- Use the north entrance (from pedestrian walkway, 3544 Caroline Mall, St. Louis, MO, 63104)
- Trey or another security guard will point you to us!
- **You will receive a coupon at sign-in to feed/"Pay" the machine as you exit.**

On the map below, the Hickory EAST garage is outlined in a red dashed circle and the Learning Resource Center is outlined in a blue solid circle. The pathway from the garage to the LRC is purple dotted.
