Council plans for next year

At the first council meeting May 25th plans were made for the educational workshops to be offered next year. In the fall we are planning a copyright workshop that will bring us up to date on the newest regulations as they pertain to libraries. We also hope to have a session with George Rickerson, Executive Director of MOBIUS, and Sara Parker, Missouri State Librarian, on the future plans for our libraries. Where are we going from here? MOBIUS is a state database for the academic libraries, what about the other libraries?

In the spring we are planning on a book repair workshop, the Annual Dinner, plus an organizational fair.
